What would it be like to find freedom from hurt, heartache, grief, loss and anger? How do hand-me-down generational “mis-beliefs” hold us back from living our true potential? Learn how forgiveness lets what you have experienced become a blessing instead of a burden. Through movement, sharing, a process of re-visioning, and the techniques of Radical Forgiveness, participants will be guided to identify and release patterns of “mis-beliefs” that have out-pictured as emotional challenges and crises in their lives. Let go of living from “mis-beliefs” that no longer need to lead your life!

“When Forgiveness Finds You”

In this workshop we will explore how—and why—forgiveness is always ready to find you—when you are ready to be “found.” Say goodbye to what was—and even what is—and finally find the true you.
