RSI Asilomar 2008 Conference: “Celebrating Our Spiritual Magnificence!”

(Donna is honored to return once again this year as a performer/music director for the RSI annual conference. She is heading the 2008 music team and will be joined by co-directors Jack Fowler and Doug LeBow.)

2008 Conference Preview from the RSI Website:

Religious Science International’s vision statement is: *Awakening Humanity to Its Spiritual Magnificence*. Here at Asilomar, we have spent the past few years awakening to this truth, through *Living the Science of Mind* (2005), *Emergence!* (2006), and *Transformation* (2007).

In 2008 – it is time to **Celebrating Our Spiritual Magnificence!** That’s right, celebrate!! True Spirituality is not only about deepening our connection through personal growth and awareness. It is also about celebrating the beauty, joy, and love that is all around us!

Dr. Ernest Holmes wrote:

“There is a laughter of God – let’s laugh it. There is a song of the Universe – let’s sing it. There is a hymn of praise – let’s praise it. There is a joy, a beauty; there is a deep, abiding peace; let’s experience it.”

You are invited to experience Spirit in this way, from July 27 to August 2, at Asilomar 2008 – **Celebrating Our Spiritual Magnificence!**

Because RSI is transforming how and where we do conferences in 2009 (stay tuned for the exciting details), this is our opportunity to experience Asilomar like never before! We will honor our history and traditions, celebrate who we are *right now*, and set the stage for the next step of awakening humanity!

You can look forward to many of your favorite RSI speakers, musicians, and activities. The goal is to celebrate our traditions while setting us up for the next generation of conferences with a bang!

(What To Do When Bullies Bug You)

Have you ever been made fun of?
Have you ever made fun of anyone?

It doesn't feel very good, does it? How do we learn to accept and see ourselves and others as God sees us—perfect just as we are?

This special children's workshop is led by recording artist, teacher, speaker, SOM minister, practitioner and Radical Forgiveness coach Donna Michael and provides an opportunity for children to share experiences and feelings about acceptance, tolerance and uniqueness of self and others. Visual art and music activities as well as role-playing provide fun, new awareness and understanding for children. Based on the popular song, "Don't Laugh At Me," recorded by Donna and written by Steve Seskin and Allen Shamblin.
